

# P & F Association

Date for your diary:  
28 Oct – P & F General Meeting  
Main campus library @ 7pm  
(No meeting in Sept due holidays)

Hi all

Well it has happened! Finally after almost a year of preparation, countless meetings and 1000s of emails – the Twilight Markets 2008 has been and gone! **AND WHAT A NIGHT IT WAS!!!**

Yes we had an interruption with a rain storm, but most people hung on (or their kids made them) and waited for it to pass, which it did fairly quickly, leaving the rest of the night beautiful and clear. We were lucky as there was hail in Ipswich!

The rain meant that we may have had less people than we would have had otherwise, but conservative estimates on numbers put it at a crowd of about 3500 at its busiest.

None of which would have happened without a willing group of people who gave a huge amount of time and effort to make sure the event was a success. Some people (some of whom are not even on the committee) did not stop from 8.30 in the morning to 11.30 at night without a break! These people should be thanked by everyone at the college for their tireless contribution. In particular Anthea and Drew Walker, Richard Bannah, Peter Kortge (Site Manager), Michael Thompson, Tania and Johnny Scanlan, Andrea Newble and the inimitable Wendy Hayden, amongst many others!

In true Oscar style, I would also like to thank Crystal Hooper for her help with all of the marketing, Steve Scott from Forest Lake P & F, and Steve Croft for his unwavering enthusiasm and assistance.

The monster raffle was drawn, but quite a few people have not claimed their prizes. The list of winners is attached, so please check to see if you have won! The person that sold the most was Joshua Kelly – well done Joshua!!

*We have a lot of perishable food left over, and so we are selling off these items at a greatly reduced price. If you would like to help us recover some costs and get some bargains at the same time, watch out for our stalls in the breezeway (Junior Campus) or email us on [info@tscpf.com](mailto:info@tscpf.com)*

The Community Alliance programme was also launched at the Markets, and you would have had a letter home with your first card. Please make the most of this initiative and support those businesses that support us. If you require additional cards they are available through the P & F for a gold coin donation.

Not all of the money has been finalised and there are still some adjustments to be made, but initial conservative figures show that we have made approximately..... wait for it.....drum roll..... **\$25,000 PROFIT!!!!** That is an awesome effort, and a huge improvement over last year..... we will have discussions next term to decide on how the money will be spent, but THANK YOU all once again!!!!

Roll on 2009!! Happy holidays everyone...

Mandi
